## Motor-Assisted Push Cart

### Raptor RFID Motorized Carts

#### Warehouse Mobility Solutions

RaptorGlide™ “Touch and Go” technology adds push-assist motorized control to all your material handling equipment. The RaptorGlide™ System integrates seamlessly making moving heavy loads up to 1800 lbs. effortless.

### The RaptorGlide™ System

Consisting of three core components - Wheels, Power Source and Controls - the RaptorGlide™ System is built to your custom requirements for seamless integration.

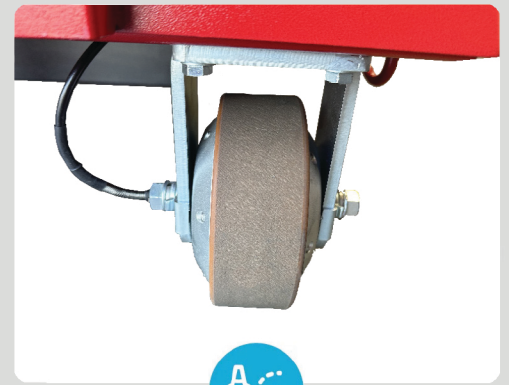

#### INCREASED MOBILITY

RaptorGlide™ powered casters reduce the need for manual labor and increases efficiency.

#### IMPROVED SAFETY

Reduce the risk of injury by eliminating the need to manually move heavy loads.

#### ENHANCED CONTROL

Precise movement and positioning make navigating tight spaces and avoiding obstacles easy.
